RE: SCHEDULE OF WORK UPDATES FROM ETP/Sunoco December 7, 2020

Tuesday, December 8, 2020

ETP/Sunoco's operations team will be blowing down nitrogen into a vac truck tomorrow during working hours at Glen Riddle Valve Station. This should be the final evolution of work to complete this purge.

ETP/Sunoco is notifying landowners and emergency services today.

Sincerely,

John McMullan
Township Manager
